## WORK EXPERIENCE

### Target Corporation

West Chester, OH

Market Team Member

February 2021 - March 2022; May 2024 - present

- Performing daily inventory audits to maintain accuracy and optimize perishable product flow
- Developing and actualizing sales plans in cooperation with leadership to create a 75% YTD increase in bakery sales and 20% YTD increase in net frozen sales

### Sysco Cincinnati

Evendale, OH

Cycle Counter

April 2023 - April 2024

- Audited dry, refrigerated, and frozen temperature zones daily using RF Scanner, Rider Pallet Truck, and Order Picker to complete scheduled counts of warehouse slots
- Conducted detailed reserve pallet audits of 3-4 aisles daily, researched discrepancies, and recorded findings into a financial analysis spreadsheet for supervisor approval and database updates

### TriHealth

Cincinnati, OH

Accounts Payable Specialist

March 2022 - March 2023

- Utilized multiple accounting softwares to approve and route 100+ purchase order invoices daily
- Coordinated with internal purchasing team and vendor finance team to resolve pricing discrepancies, confirm payments, and confirm product deliveries
- Resolved EDI system rejections by addressing decimal discrepancies in high-volume unit orders and developed preventive strategies to streamline proper automation

## EDUCATION

### University of Cincinnati

Cincinnati, OH

Bachelor of Arts, Mathematics

December 2019

- Calculus I - IV, Abstract Algebra, Mathematical Analysis, Modeling, Introductory Actuarial Science

## PROJECTS

### Dragon Warrior Monsters Database - [dragonwarriormonsters.tech](https://dragonwarriormonsters.tech)

A structured JSON website that allows users to access a bestiary containing monster info, a projected stat calculator, and a breeding wizard for optimal team building

### Portfolio Website - [kwolfer.tech](https://kwolfer.tech)

Built and hosted a portfolio website that showcases my skills and freeCodeCamp projects
